Local DFW Ukrainians begin their year-long commemoration of the 75th Anniversary of the Ukrainian Genocide/Famine of 1932-33 during which over 10 million people perished in Ukraine. We join Ukrainians here and around the world to pay tribute to the millions of Ukrainians that perished during this tragic time.

The event's program is as follows:

10:00 AM Liturgy
11:00 AM Panakhyda - memorial service to the millions of Ukrainian lives lost
11:30 AM Refreshments provided by the Sisterhood of St. Sophia's UCC
12:00 PM Showing of the award-winning, documentary film: 'Harvest of Despair'
1:00 PM UAST General Membership Meeting and Board Elections

This is an event that many non-Ukrainians would benefit to learn about while watching the documentary. Please feel free to bring a friend or neighbor with you. If you would like additional information on the Ukrainian Holodomor, visit our website at www.uast.org.
